

BALTIC CUP 2020

PURPOSE

Collaboration and cooperation between the National Triathlon Federations of Latvia, Lithuania, Belarussia and Estonia.

The national federations of all 4 (four) countries take responsibility to host one triathlon (sprint or standard distance) plus one duathlon race. All the races must be organized according to the competition rules of International Triathlon Union (ITU).

Baltic Cup series is the first possibility for kids, youth and grownup athletes to obtain the first international experience on triathlon and duathlon races.
